COMMENTS:

Project has multiple locations in borough(s) Queens and council district(s) 21. Project "Location" refers to main location.
 Project acquisition/construction has not been reported as complete as of 6/30/2008
 Project is located on City-owned land and is not subject to company direct property tax.
 The project would not have occurred but for the exemption of construction sales tax and mortgage recording tax and access to tax-exempt bonds. The City and NYCIDA have, therefore, taken the position that the assistance shown above does not represent incremental costs to the City (as there is no alternative scenario in which such amounts would have been collected).

COMMENTS:
 Project acquisition/construction has not been reported as complete as of 6/30/2008
 Project is located on City-owned land and is not subject to company direct property tax.
 The project would not have occurred but for the exemption of construction sales tax and mortgage recording tax and access to tax-exempt bonds. The City and NYCIDA have, therefore, taken the position that the assistance shown above does not represent incremental costs to the City (as there is no alternative scenario in which such amounts would have been collected).
