The Manhattan Waterfront Greenway

The Manhattan Greenway is a 32-mile long waterfront path for pedestrians, runners, cyclists, fishermen, and many others! The Manhattan Greenway Harlem River project addresses the missing link between E125th and E132nd Streets along the waterfront.

Manhattan Greenway Harlem River E 125th to 132nd

-  EAST HARLEM
-  PROPOSED MANHATTAN GREENWAY HARLEM RIVER
-  EXISTING GREENWAY
-  EXISTING ON-STREET ROUTE
-  MISSING GREENWAY LINK
