

NYCCRC Board Performance Evaluation

NYCCRC staff prepared a Board self-evaluation survey which NYCCRC's Governance Committee reviewed, commented on and approved. The survey was subsequently presented and discussed at the NYCCRC Board meeting on November 9, 2010, prior to its circulation to NYCCRC Board members. As of February 8, 2011, 80% (12/15) of the NYCCRC Board members responded to the survey.
