

NOTICE OF FINDING OF NO SIGNIFICANT IMPACT AND APPROVAL OF ACCESS
MODIFICATION FEDERAL HIGHWAY ADMINISTRATION PROJECT IDENTIFICATION
NO_X770.44

Podrán encontrar una traducción al español de esta Notificación en el sitio web EDC:
www.nycedc.com/willetspoint.

The Federal Highway Administration (FHWA) has issued a Finding of No Significant Impact in accordance to the National Environmental Policy Act of 1969 (NEPA) and its implementing regulations contained in 23 CFR part 771.119 for the proposed Willets Point Van Wyck Expressway Ramps Project (“Project”) and approved the access modification comprising the Project. The Project will provide new connections to the Van Wyck Expressway (I-678) in Willets Point, Queens County in the City of New York. The Access Modification Report and Finding of No Significant Impact are available on the NYCEDC website at www.nycedc.com/willetspoint or for public inspection and copying by appointment with Rob Holbrook at NYCEDC, 110 William St., New York, NY 10038, whose phone number is 212-312-3706.
